- MySQL (Database)
- Python (Basic)
- Bootstrap (CSS Framework)
- Tailwind (CSS Framework)
- Microsoft Office

LANGUAGES

- English (Fluent) - IELTS Average Score 6.5/9.0
- Chinese (Basic)
- Bahasa Indonesia (Fluent)

PROFILE

I am an undergraduate student majoring in Computer Science and Technology at South China University of Technology. I am interested in Web Development and enjoy creating websites and web applications. I have experience with technologies like HTML, CSS, JavaScript, PHP, and Next.js. I am looking for an internship where I can learn more and improve my skills by working on real projects with a team.

EDUCATION

Bachelor of Computer Science   AUG 2022 - AUG 2026

Undergraduate Student | South China University of Technology

Sutomo 1 High School   JUL 2019 - July 2022

PROJECTS

Hospital Database Management   NOV 2024 - DEC 2024

Developed a simple database management project to manage patients' record, patients and staffs' information, pharmacy and room information.
